Section 2: Providing your Tax File Number (TFN)

Under the Superannuation Industry (Supervision) Act 1993, your super fund is authorised to collect, use and disclose your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change.

The trustee of your super fund may disclose your TFN to another super provider, when your benefits are being transferred, unless you request the trustee of your super fund in writing that your TFN not be disclosed to any other super provider.

Declining to quote your TFN to the trustee of your super fund is not an offence. However giving your TFN to your super fund will have the following advantages:

- your super fund will be able to accept all permitted types of contributions to your account/s;
- other than the tax that may ordinarily apply, you will not pay more tax than you need to - this affects both contributions to your super and benefit payments when you start drawing down your super benefits; and
- it will make it much easier to find different super accounts in your name so that you receive all your super benefits when you retire.
